

Toshiba Group to Support Flood Damage Relief Efforts in Chennai

Toshiba Group has extended contribution exceeding Rs.27 lakhs to support relief and recovery efforts in the aftermath of damages caused due to heavy rains and flood in Chennai.

The total contribution amount consists of Rs.18 lakhs through CHIEF MINISTER'S PUBLIC RELIEF FUND (CMPRF) from Toshiba Corporation, Japan, while the balance was contributed through 8 Toshiba subsidiaries in India through their voluntary employee donation program.

Toshiba Group has a manufacturing base at Chennai i.e., Toshiba JSW Power Systems Private Limited. (Toshiba JSW). This manufacturing plant got damaged during the heavy rains and currently the group is working hard to commence the production at this unit.

Toshiba Group extends all its sympathy and solidarity for the flood victims and prays for earliest possible recovery from this disaster.
